Thank you for choosing the Bird Nest for your Thunderbird needs. We here at the Bird Nest have been in business for 50 years, specializing in 1958-66 Thunderbirds. Have questions about your car? Our experienced crew is extremely knowledgeable and will help you with your questions about your classic Thunderbird.

We have over 30,000 square feet of warehouse space full of new, used, rebuilt, and NOS parts. Be it large, small, or unusual, we should have what it is you need for your Thunderbird. Although this catalog mostly features new and rebuilt products, we still have thousands of used and NOS products available. These used parts have come from more than 500 donor Thunderbirds. We pride ourselves on our high quality at the best prices, guaranteeing all of our parts including used.

HOW TO ORDER

You can order safely and securely on-line 24 hours a day at www.tbirdparts.com or call us Monday-Friday 8am-5pm Pacific Time at 1-800-232-6378 if you are in the US or Canada. For International calls use 1-971-233-9000.

TIPS FOR ORDERING ON-LINE

Go to SHOP ONLINE if you wish to see everything that is new for your Thunderbird. Select the year car and then select the "Go" or "Search" button.

NOTES FOR ORDERING

When ordering parts for sides of the car, the left hand side indicates the driver side and the right hand side indicates the passenger side.

METHOD OF PAYMENT

VISA, MASTER CARD, and DISCOVER cards are accepted. We accept checks, but they must have cleared before shipping.

PRICES

Prices and descriptions are subject to change without notice.

SHIPMENT METHOD

We ship most parts by UPS or USPS. For extra long or bulky items we may have to ship them by truck. There is a 10% Packing and Handling fee on all purchases (\$10.00 max per order). This is a standard charge to help cover the costs of boxes, tape, and labor in shipping your goods to you. In the case of large bulky items that may require crating or special containers, the charge will be higher. Ask about our crating quote when ordering these items. Call for shipping charges.

INTERNATIONAL CUSTOMERS

International customers are responsible to pay their own Customs/Duty fees/Taxes.

CORE DEPOSITS

A core is any part that can be rebuilt or re-chromed. When a part has a core deposit, it indicates a promise to swap your old part with the one we sent you. Once returned, the deposit is then reimburse as a refund. In order to maintain our core rebuild program, please be sure to return cores ASAP. Cores not received promptly will receive a lesser refund. None or a partial refund will be given for broken or missing parts. You may be required to send a core in first for very rare parts.

DISCOUNTS

We offer a 5% discount on orders of \$1000.00 or more and 10% on orders of \$2500.00 or more. Items must be ordered at the same time. This offer may not be combined with any other discounts and some items are not part of this discount.

USED PARTS

We guarantee your satisfaction with our used parts. If you are not pleased, call us for a return authorization number and send the part freight prepaid with a copy of your invoice or invoice number within 30 days.

RETURNS

Any new, undamaged, and uninstalled parts may be returned within 30 days of purchase with no restocking fee. After 30 days, the uninstalled, undamaged part will have a fee of at least 10% per 30 days. Please include your name, address, and note with the parts.

A MAJOR SAFETY HAZARD

Shift Lever Wear Problem

The 1958–66 shift levers are softer than the detents and become worn. This causes the lever to allow the transmission to fall out of park and into reverse.
